How to Teach Fiction Writing at Key Stage 3 (Writers' Workshop) Pie Corbett

How to Teach Fiction Writing at Key Stage 3 is a practical manual to help teachers of 11-14 year-olds to develop effective modeling and scaffolding strategies for the teaching of narrative writing. Using a step-by-step approach, based on the 'word/sentence/text level' convention, the book shows how teachers can help pupils to build work in various genres and to move out from these to more complex writing. Each section has a workshop approach that leads into a narrative writing activity, giving pupils the chance to complete a fully realized piece of work at the end each time.

The workshops focus on genre features, the craft of the writer, and specific year-related needs (taken from the KS3 Framework).

The book has a clear progression through KS3, and extension and support activities for the most and least able pupils are provided as an integral part of each section.
