Knits Men Want: The 10 Rules Every Woman Should Know Before Knitting for a Man~Plus the Only 10 Patterns She'll Ever Bruce Weinstein

For as long as women have been knitting, they've been knitting garments for men—only to have men hide their lovingly created pieces in drawers and closets. Men aren't being intentionally cruel; they're just not comfortable in knitwear made with bright colors, itchy yarn, or flashy designs.

So what's a knitter to do? Understand the male psyche, says knitting instructor Bruce Weinstein. In *Knits Men Want* he presents ten hilarious essays, each based on a rule that helps women knit for men successfully. "Men Are Babies" explains why guys need to wear soft fabrics. "Men Hate Fittings" describes how to create a sweater based on one that's in his wardrobe. Following each essay is a timeless master pattern, from socks, hats, and scarves to an array of sweaters, all in a range of sizes and most written for multiple gauges. With this book in hand, women finally have the secret to knitting garments that men will appreciate and actually wear.
