Reincarnation and the Law of Karma

William Walker Atkinson

Reincarnation and the Law of Karma William Walker Atkinson

Does the soul survive death? Are we reborn again and again, and can we access the knowledge and the memories acquired in earlier lives? Followers of New Thought, the early-20th-century "New Age" philosophy, believed so, and here, in this 1908 book, William Walker Atkinson, one of the most influential New Thought voices, explores the concept of reincarnation throughout history, from the Egyptian idea of the soul through Plato's teachings on the subject and on to modern spiritual outlooks on eternal life.

With arguments and proofs supporting the idea that the soul is a "traveler on a long journey," this is a fascinating look at a question that has haunted humanity since antiquity.

American writer WILLIAM WALKER ATKINSON (1862-1932) was editor of the popular magazine New Thought from 1901 to 1905, and editor of the journal Advanced Thought from 1916 to 1919. He authored dozens of New Thought books under numerous pseudonyms, some of which are likely still unknown today, including "Yogi Ramacharaka" and "Theron Q. Dumont."
