Sally of the Wasteland #1 Victor Gischler

"The creators have set up a steamy world of sex, danger, and intrigue. And river pirates. Don't forget the river pirates." - Bloody Disgusting

""Bettin knows how to show action as well as suspense, booty as well as gore.""
- Comics For Sinners

She's a gloriously-grindhouse
gorehound glamor girl!

Southern Louisiana, 82 years after the Fall. The apocalypse has come and gone, leaving behind a withered, ravaged landscape of wreckage and mutant crawfish. Still, you gotta laugh, and Sally does, often using her beloved shotgun, Bertha, as the punchline!

Inspired more by lust than common sense, and by a teenage desire to protect Tommy, the object of her desires, Sally leaves her bar job and joins the deranged crew of the Mississippi Duchess on a mission into the remains of New Orleans.

Saving the remains of civilisation plays second best to keeping her sweetheart safe as our smart and sexy princess of the wild frontier runs a gauntlet of gigantic genetic freaks and roving gangs of blood-hungry barbarians!

The ever-so-cute but ever-so-slightly-insane Sally is the wayward daughter of writer Victor Gischler (X-Men, Angel & Faith, Noir) and artistic up-and-comer Tazzio Bettin. This first issue in a fantastic new series proves Armageddon can be fun!
