SiNN

Tina Donahue

SiNN Tina Donahue

She's every man's carnal fantasy...and the target of one's revenge. At a gentleman's club, Lea dances as SiNN, her body bared and vulnerable to her male partner, her features hidden behind a mask. To the men watching, she's a sensual enigma, submissive and seductive with no face, name or history. Not even Lea knows her real origins. But a man from the past does, and he wants her dead. Not on the watch of U.S. Marshals Jake Gabriel and Toby Quinn. Commanding and decisive, Jake not only wants Lea's safety, but to have her naked and yielding beneath him. To Toby, she's all he should resist but cannot. Protected by them at a secluded estate, Lea's drawn to their potent masculinity and raw lust. Inviting desire and an emotional connection, she submits to both, surrendering to their shameless hunger along with her own wanton needs. All while a killer edges closer... A Romantica® erotic romance from Ellora's Cave

From reader reviews:

Megan Martelli:

What do you in relation to book? It is not important along? Or just adding material when you need something to explain what yours problem? How about your spare time? Or are you busy person? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. They need to answer that question mainly because just their can do this. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on pre-school until university need this particular SiNN to read.

Terry Grissom:

Is it you who having spare time and then spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This SiNN can be the response, oh how comes? It's a book you know. You are so out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?

Donna Solano:

As we know that book is important thing to add our information for everything. By a e-book we can know everything we would like. A book is a range of written, printed, illustrated or even blank sheet. Every year was exactly added. This e-book SiNN was filled concerning science. Spend your spare time to add your knowledge about your technology competence. Some people has different feel when they reading any book. If you know how big good thing about a book, you can sense enjoy to read a guide. In the modern era like at this point, many ways to get book you wanted.

John Smithers:

Reading a book make you to get more knowledge as a result. You can take knowledge and information from the book. Book is published or printed or created from each source that filled update of news. With this modern era like now, many ways to get information are available for you. From media social like newspaper, magazines, science book, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just seeking the SiNN when you needed it?
