The Psychotherapy of Carl Rogers: Cases and Commentary

The Psychotherapy of Carl Rogers: Cases and Commentary

This book presents ten cases conducted by Carl Rogers, eight of which are fully transcribed. Featuring critical commentaries by notable psychotherapists, the book affords readers the opportunity to read unedited case material by this pioneering -- though often overlooked -- client-centered therapist, and to compare the responses of therapists from diverse orientations. The cases included represent Rogers' work over a 40-year period with clients with a range of presenting problems. Contributing authors, who include practitioners of psychoanalytic, cognitive-behavioral, gestalt, existential, and spiritual models of psychotherapy, as well as client-centered approaches, comment on the strengths and weaknesses of Rogers' approach to each case and evaluate his theoretical assumptions. In all, the volume both honors Rogers' memory and demystifies his contributions to the field.

For you who want to start reading a book, we give you this particular The Psychotherapy of Carl Rogers: Cases and Commentary book as starter and daily reading e-book. Why, because this book is greater than just a book.

William Copeland:

Reading a e-book can be one of a lot of action that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new data. When you read a book you will get new information simply because book is one of many ways to share the information or maybe their idea. Second, examining a book will make a person more imaginative. When you reading a book especially fictional book the author will bring someone to imagine the story how the people do it anything. Third, you can share your knowledge to other people. When you read this The Psychotherapy of Carl Rogers: Cases and Commentary, you may tells your family, friends along with soon about yours publication. Your knowledge can inspire others, make them reading a publication.

Darlene Goins:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Psychotherapy of Carl Rogers: Cases and Commentary can make you experience more interested to read.
