Latín I. 1º bachillerato. Bachillerato a distancia (Spanish Edition) María Mercedes Morillas Gómez, María Rosa Ruiz de Elvira Serra, Francisca Morillo Ruiz, Pilar Jiménez Gazapo, Elena Cuadrado Ramos, Mariano Martínez Yagüe, María del Carmen Sánchez Martín, María Ángeles Castilla López

Se trata de un método que pretende acercar al alumnado a las raíces de nuestra cultura occidental, mediante el estudio de la lengua y la cultura latinas. El conocimiento de la lengua latina le permitirá profundizar en su propia lengua, enriquecer su vocabulario y adquirir una base sólida y suficiente para continuar con el estudio del latín en el siguiente curso. El estudio de la cultura latina permitirá reconocer y valorar el valioso legado de Roma en Occidente.

Organizado en doce unidades didácticas, los contenidos de cada una están estructurados en tres bloques temáticos: uno inicial comprende la cultura romana, vida cotidiana, sociedad, historia, etc.; se continúa con contenidos gramaticales de la lengua latina, y se termina cada unidad con el estudio de la evolución del léxico latino a las lenguas romances habladas en la península Ibérica.

Los contenidos culturales, gramaticales o relativos al léxico están desarrollados de una manera estructurada, clara y suficiente. Para facilitar su aprendizaje, se han intercalado actividades que permiten comprobar el afianzamiento de lo aprendido merced a la autoevaluación. Con la misma finalidad, se han incluido resúmenes de los contenidos fundamentales de cada unidad y unas actividades de repaso.

La pormenorizada elaboración de un Vocabulario utilizado en las unidades, que se incluye al final de cada una de ellas, como un Vocabulario general, que cierra el libro, así como el Glosario de los términos empleados en los contenidos culturales y gramaticales constituyen un verdadero mapa de los conocimientos esenciales de la materia y son elementos de especial utilidad en su aprendizaje.
