Le grandi imprese nello sviluppo industriale italiano (Italian Edition) Fulvio Coltorti

Questo libro ha lo scopo di illustrare le dinamiche della grande impresa italiana nell'ultimo dopoguerra. Il "fuoco" dell'analisi è il suo contributo allo sviluppo e al progresso economico. L'unità di indagine è l'impresa vista non nel suo splendido isolamento, un'ottica nella quale si è a lungo cullata buona parte dell'accademia, ma quale elemento determinante del contesto in cui opera. Le sue interrelazioni riguardano innanzitutto l'assetto istituzionale del paese e poi i territori, le società locali, i mercati dei beni e della finanza che sono in varia misura modellate da e su di essa.
