## **Water Rat** Marnie Laird

It's 1748, and 14-year-old Matt, who is nicknamed Water Rat because he is crippled and loves the water, runs away from a tyrannical tavern owner and goes to live with a doctor and his family on their Delaware farm. When a pirate ship arrives at the family's dock, Matt proves himself a hero and manages to save the doctor's family while assisting with the capture of the pirates. "Laird creates a real sense of place and time through well-crafted prose and vivid descriptions." — School Library Journal
