And on the Eighth Day She Rested: A Novel J. D. Mason

Four different women come together under the sometimes tenuous but always unbreakable bond of friendship.

Ruth Johnson has finally left her abusive husband of fourteen years and jumped feet first into "What the hell do I do now?" oblivion. Then into her life come three unforgettable women who turn her world upside down. Feisty, outspoken Bernice, a.k.a. "Bernie," has been there and done that when it comes to love and marriage. Her ex-husband is settled down with his much younger wife and her kids are grown, and Bernie is looking to enjoy her fellow man--in more ways than one--no strings attached...or so she thinks. Sweet Southern belle May has it all: a beautiful home, two wonderful children, and a fine husband who worships the ground she walks on, yet a shadow hangs over what should be her equally perfect life, threatening to shake up her happy home. The older, wiser Clara is their guiding force, and when disaster strikes, all three women rally around her, determined to see her through it. Life is just getting interesting, and if they hold on to each other, they just might make it.

J.D. Mason's *And on the Eighth Day She Rested* is an empowering story of the tough times we all face and the friends who help us through.

From reader reviews:

Louis Vasquez:

Reading a guide tends to be new life style on this era globalization. With reading you can get a lot of information that may give you benefit in your life. Using book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Many author can inspire their reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors nowadays always try to improve their expertise in writing, they also doing some exploration before they write to the book. One of them is this And on the Eighth Day She Rested: A Novel.

Alfred Wolff:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them household or their friend. Do you realize? Many a lot of people spent that they free time just watching TV, as well as playing video games all day long. If you would like try to find a new activity here is look different you can read a book. It is really fun to suit your needs. If you enjoy the book you read you can spent all day long to reading a reserve. The book And on the Eighth Day She Rested: A Novel it is quite good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. When you did not have enough space to bring this book you can buy the e-book. You can more simply to read this book from the smart phone. The price is not very costly but this book has high quality.

Gary Lewis:

Playing with family in a park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, subsequently why you don't try thing that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love And on the Eighth Day She Rested: A Novel, you are able to enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh can occur its mind hangout guys. What? Still don't buy it, oh come on its referred to as reading friends.

Kelly Breedlove:

Is it an individual who having spare time and then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This And on the Eighth Day She Rested: A Novel can be the reply, oh how comes? It's a book you know. You are thus out of date, spending your time by reading in this new era is common not a geek activity. So what these textbooks have than the others?
