Whether we know it or not, we are all involved in the evolution of our souls. An intimate relationship is, for most people, the vehicle by which this evolution occurs. Finding True Love asserts this premise by providing keys to the inner work we must do to attract and find love.

Bestselling "Love Doctor" Daphne Rose Kingma emphasizes the importance of spiritual and emotional preparation for love which, if undertaken, will result in discovering the love of your life. She describes the four qualities necessary for love: faith, trust, intention, and surrender. She divides the discussion into four parts, each devoted to one of the qualities and exploring its part in attaining the emotional and spiritual attitudes required for finding the love of one's life. Through sensible steps and advice, she challenges readers to uncover and discover the reasons they have not found a fulfilling relationship — and to set it right.
