**Good Neighbors: A Novel** Ryan David Jahn

**A compulsively readable debut crime novel inspired by the legendary real-life murder of Kitty Genovese**

At 4:00 A.M. on March 13, 1964, a young woman returning home from her shift at a local bar is attacked in the courtyard of her Queens apartment building. Her neighbors hear her cries; no one calls for help.

Unfolding over the course of two hours, *Good Neighbors* is the story of the woman's last night. It is also the story of her neighbors, the bystanders who kept to themselves: the anxious Vietnam draftee; the former soldier planning suicide; the woman who thinks she's killed a child and her husband, who will risk everything for her. Revealing a fascinating cross-section of American society in expertly interlocking plotlines, *Good Neighbors* calls to mind the Oscar-winning movie *Crash*, and its suspense and profound sense of urban menace rank it with Hitchcock's *Rear Window* and the gritty crime novels of Dennis Lehane, Richard Price, and James Ellroy.

*From the Trade Paperback edition.*
