Just as a relationship needs love and sex to nurture it, so there are times when lies and secrets are necessary too. Some people seem to be able to get the balance just right without really trying very hard at all, while others never do seem to 'get it'. Yet it's an easy trick to learn and here's your chance, because all these things and lots more are covered in vivid detail: Why personality matters and how to work it out; Understanding the amazing differences between men and women; How to get off to a good start; How to get back on track when things go wrong; Dealing with sexual difficulties - easily; Handling a break up by taking charge and ending it elegantly. Sharing your life with another is not an easy task - in fact the surprise is not so much that it often doesn't work but that it can be spectacularly successful! From page one onwards, you will begin to gain a stunning insight into how you can find and keep the love you've always wanted. Written by an expert in relationships and human nature, this book can set you on your way to true happiness.
