There's no denying that men's involvement and interest in feminism is key to its continuing relevance and importance. Addressing the question of why men should care about feminism in the first place, *Men and Feminism* lays the foundation for a larger discussion about feminism as a human issue, not simply a women's issue. Men are crucial to the movement — as fathers, brothers, husbands, boyfriends, and friends. From "why" to "how" to "what can men do", *Men and Feminism* answers all the questions men have about how and why they should get behind feminism.
