Poltarnees, Beholder of Ocean

Lord Dunsany

Poltarnees, Beholder of Ocean Lord Dunsany

Toldees, Mondath, Arizim, these are the Inner Lands, the lands whose sentinels upon their borders do not behold the sea. Beyond them to the east there lies a desert, for ever untroubled by man: all yellow it is, and spotted with shadows of stones, and Death is in it, like a leopard lying in the sun. To the south they are bounded by magic, to the west by a mountain, and to the north by the voice and anger of the Polar wind. Like a great wall is the mountain to the west. It comes up out of the distance and goes down into the distance again, and it is named Poltarnees, Beholder of Ocean.
