## Reiki: Manual del terapeuta profesional (Spanish Edition) Johnny De´Carli

Reiki fue concebido originalmente como un método terapéutico para uso en clínicas especializadas en Japón. Este Manual Oficial "vuelve a sus raíces", y expone la técnica de la manera que fue concebida, como una práctica curativa que actúa sobre la energía vital del cuerpo. La práctica de Reiki hoy en día está difundida por todo el mundo, y cuenta con una gran aceptación en el contexto hospitalario y sanitario en general. El Instituto Nacional de Salud británico tiene terapeutas de Reiki en nómina en varios hospitales. La mayoría de los seguros suizos reembolsan un tratamiento de Reiki a sus asegurados. Casi todos los hospitales de los EE.UU. ofrecen Reiki tanto como parte integrada en sus tratamientos como un servicio externo. En España, la Fundación Saucé ha formado a más de dos mil profesionales de personal sanitario y aplica Reiki en varios hospitales de forma oficial. En resumen, su uso terapéutico para favorecer el bienestar y acelerar el proceso curativo es algo aceptado por la comunidad médica en gran parte del mundo. Este libro explica cómo usar esta técnica para sanar enfermedades, producir un estado de relajación y favorecer el bienestar físico, mental y emocional. Pero además, expone las pautas a seguir si alguien desea dedicarse a esta maravillosa técnica de forma profesional, como parte de un sector en auge: la terapias complementarias.
