For twenty-five years, multimillionaire businessman Ron Raven played the loving husband and father--to two very different households. But when Ron disappears, his deception is revealed. Faced with the ultimate betrayal, both families are left questioning who can be trusted... and who remains SUSPECT.

Cynical attorney Liam Raven hid his father's bigamy... until it was too late. Ironically, Liam specializes in divorce cases. But when Chloe Hamilton is charged with murdering her husband, a popular Denver mayor, he makes an exception.

Liam's relationship to Chloe quickly surpasses client and attorney. Her former husband had many secrets--including a connection to Ron Raven's other family. And acquitting Chloe means uncovering a string of lies and treachery that leads back to Liam's father.
