**Swedes of the Delaware Valley (Images of America)** Margaret Murray Thorell Ph.D.

The first Swedish settlers in America embarked from Gothenburg, Sweden, and sailed into Delaware Bay, arriving at what is now Wilmington. The fearless Swedish and Finnish settlers left their mark in the Delaware Valley and on many sites in the area, particularly its churches and famous log cabins. The photographs in Images of America: Swedes of the Delaware Valley depict the depth of Swedish American influence on the area, from early log cabins to John Morton, signer of the Declaration of Independence, to IKEA and the American Swedish Historical Museum. The museum, located in the heart of the Delaware Valley, is dedicated to preserving and promoting Swedish American culture, heritage, and traditions.
