The Impossibility of Tomorrow: An Incarnation Novel Avery Williams

The immortal Seraphina is forced to face the darkness of her past—and risk losing the love of her life—in this gripping conclusion to the Incarnation series. “Fans of the first book will enjoy every roller-coaster spin and twist” (*School Library Journal*).

Seraphina has been living for centuries, thanks to a special method of alchemy, but only recently has she really felt alive. She’s finally broken free from her controlling boyfriend, Cyrus, and after years of swapping bodies to preserve her immortality, is happily settled into a life worth sticking with. Because in this life, she has Noah.

But Noah might not be as trustworthy as he seems. After he delivers an ominous message that could only come from Cyrus, Sera is worried that her new friends and family will find out her secret. And as her suspicions extend beyond Noah, Sera is forced to wonder about her new friends as well: Could her old coven be disguising themselves right under her nose?

Will Sera have to move to another body—and take another life—or can she find a way to keep what she’s got, forever?

The Incarnation series is created by Alloy Entertainment, producer of bestselling teen and middle grade series including *The Sisterhood of the Traveling Pants*, *Gossip Girl*, *The Vampire Diaries*, and *Pretty Little Liars*.
