I'm Doin' Me Anna Black

After Tiffany lands a position as executive producer and head writer for the hit television series Boy Crazy, her career is skyrocketing. All seems perfect, until she learns that the network will be cancelling her show. To add insult to injury, when she returns home from work, she catches her man in bed with the hired help.

Despite her personal problems, she's determined to move on and find a new home for her show. She pitches it unsuccessfully to every network on her list, until she finally piques the interest of the cable network TiMax. The only problem is that the network is run by Langley Green, father of Tressa Green, who happens to be the fiancée of Tiffany's high school crush, Kory Banks. Touted as the queen of L.A., Tressa not only wants to keep her man away from Tiffany, but she's also going to see to it that Tiffany's show never sees daylight again.

With an undeniable attraction and a secretive lust brewing between them, Kory does everything in his power to resist the temptation. He pulls away from Tiffany and tries to focus on his fiancée, but it isn't long before the drama hits the fan. Tressa's schemes and manipulative devices to destroy Tiffany could cause her to lose more than she ever imagined.
