*The home of her heart...*

After a decade away, Greer Bell is returning to Loveless County, hoping for a reconciliation with her family—one that includes their acceptance of her nine-year-old daughter, Shelby. Thanks to the local land-grant program, Greer's also the new owner of a dilapidated property she's turning into a guest ranch—and risking her financial future to do it.

But she's risking far more than that with Noah Kelley, the man who wants to marry her despite the town's disapproval and all her efforts to discourage him. Shelby, however, doesn't think Noah is a risk. She wants him to be her dad...now she just has to convince her mother that sometimes kids know best!
