Steven Berkoff is a phenomenon. Among the artists working in the theatre today he is probably the most theatrical - his special combination of speech, movement and spectacle is uniquely powerful. This first collection of his plays includes **East**, described by Berkoff as 'an outburst or revolt against the sloth of my youth and a desire to turn a welter of undirected passion and frustration into a positive form'. Also included in this collection are the plays **West** and **Sink the Belgrano!**
