The Saddle Club is gearing up to learn all about driving—not cars, horses. Carole Hanson and Lisa Atwood have to do a report on the use of driving teams throughout history. The only problem is that they have too much information! Somehow, they have to rein in their enthusiasm or their 10-minute talk could take a lifetime.

Meanwhile, Stevie Lake is facing her worst nightmare. Her riding instructor wants Stevie to work with Veronica diAngelo on a special driving team project: teaching their horses to work as a team. It's a great idea, but how are the horses going to work together if their owners can't? It's going to take more than teamwork to get through this project—it's going to take a miracle!
