## **Lenin and His Comrades: The Bolsheviks Take Over Russia 1917-1924** Yuri Felshtinsky

What was the real impact and significance of the October Revolution of 1917? This avowedly revisionist interpretation by a major Russian dissident seeks to place Lenin and those around him in the proper perspective. Since the takeover of Russia was the result of a coup d'état by a tiny minority of criminals that Yuri Felshtinsky doesn't hesitate to call gangsters, the Communist regime was doomed from the start.

**Yuri Felshtinsky** received a PhD in history from Rutgers University. His books include *The Failure of the World Revolution* (1991), *Blowing up Russia* (with Alexander Litvinenko, 2007), and *The Corporation: Russia and the KGB in the Age of President Putin* (with Vladimir Pribylovsky, 2008). He lives near Boston, Massachusetts.
