Carlos Alberto Mancuso Padre

Mano a mano con el diablo: Crónicas de un cura exorcista (Spanish Edition) Carlos Alberto Mancuso Padre

«Soy un cura exorcista. Enfrento con frecuencia al diablo y lo conmino a abandonar esos cuerpos que decidió poseer. Lucho contra el demonio. Es una tarea muy pesada, que representa un esfuerzo que supera los límites conocidos como "humanamente posibles". Es el combate de un humano contra las fortalezas más antiguas del Universo. La mía, queda claro, no es una actividad sencilla».

¿Cómo se reconoce a un endemoniado? ¿Por qué el diablo elige a determinadas personas como sus víctimas? ¿Cómo se lleva a cabo esta práctica que los exorcistas ortodoxos realizan desde hace quinientos años?

El Padre Carlos Mancuso es una persona común y corriente con una ocupación extraordinaria: está autorizado por la Iglesia Católica para practicar exorcismos. Cada vez son más las personas que lo consultan consternadas por situaciones extrañas que los tienen como protagonistas. Acostumbrado a ser un referente en la materia, lo convocan de distintos países del mundo tanto para realizar su praxis como para dar seminarios dentro y fuera del ámbito eclesial.
