New York Times Bestseller

Life is weird. Embrace it.

A bear flies through space. A hamster suffers a breakdown. Elsewhere, a garden snake is arrested by animal control and jailed for home invasion, while a child marvels at the wonder of nature as worms emerge from the ground and begin looking for vodka (as they always have). These are common occurrences in the world of Reza Farazmand's wildly popular webcomic, *Poorly Drawn Lines*. Traveling from deep space to alternate realities to the bottom of the ocean, this eponymous collection brings together fan favorites with new comics and original essays to share Farazmand's inimitable take on love, nature, social acceptance, and robots.

From the Trade Paperback edition.
