The century-old *Gentlewoman's Guide to Love and Courtship* is no ordinary book club choice. But for the little book club in Smitten, Vermont, it might be their best pick yet!

When Lia's childhood best friend Joey moves back to town, his daughter plays matchmaker to help them find their own new beginning.

Lia is a kindergarten teacher who insists all the Smitten Book Club members read *Anne of Green Gables*. She likes nothing better than a pastoral novel where an outsider finds a special place in an idyllic community.

When her childhood friend Joey moves back to Smitten with his daughter Grace in tow, Lia reaches out to help with Grace as Joey settles in as partner in his brother's dental practice. With a little matchmaking from Grace, Lia and Joey soon discover their friendship has grown into a love that could last a lifetime.

"Charming." —Best-selling author Robin Lee Hatcher of *Knit One, Love Two*
