An Unlikely Alliance

Betrayed and stranded in France at the height of war, Lord Gregory Halston has few options. After rescuing his ailing brother from jail, they struggle to survive in hostile territory without outing themselves as Englishmen. Gregory hopes the feisty French peasant woman he meets is willing to guide them to safety.

Danielle Belanger doesn't wish to protect any man from the same country responsible for her brother's demise. But there's something about the determined Englishman that makes her willing to try. Though a match between Danielle and Gregory is impossible, their attraction can't be denied. The only thing more dangerous than aiding the enemy...is falling in love with him.
