Karl Korsch

Karl Korsch: Revolutionary Theory Karl Korsch

There is growing interest in Europe and the United States in the work of the major German social-political philosopher Karl Korsch. Korsch participated in the turbulent struggles in Weimar Germany and while in exile continually reflected on history and politics. His work affords one of the most important interpretations of the role of Marxism in twentieth-century revolutionary movements, while developing an ongoing critical interrogation of Marxism. His thought provides an illuminating perspective on the process of revolution and counterrevolution in recent history. *Karl Korsch: Revolutionary Theory* is the first English anthology of his most important writings.

This collection presents Korsch's essays on a wide range of subjects, including Marxism and socialization, Lenin and the Soviet Union, the crisis of Marxism, models of revolutionary practice, fascism and counterrevolution, and Korsch's final evaluation of Marxism. Much of this work is translated into English for the first time, and many unknown essays first published in radical journals which are no longer available appear here. The volume includes Korsch's major essays written during the 1920s and 1930s as well as some of his later work.

Douglas Kellner's detailed introduction, "Korsch's Revolutionary Marxism," contains the first comprehensive critical interpretation of Korsch's work to appear in English. It provides a historical-theoretical reconstruction of Korsch's life and thought and roots his political theory in the sociopolitical context in which it evolved. The introduction has been described by Korsch scholars as a "first-class piece of exposition and interpretation" and a "serious, first-rate contribution likely to preempt the field in the English language." The editor's introduction along with the representative selection of essays provide firm grounding in the ideas and historical significance of Karl Korsch.

To help you see the represented of the world in this book.

Brandon Jenkins:

Is it you who having spare time in that case spend it whole day by simply watching television programs or just resting on the bed? Do you need something new? This Karl Korsch: Revolutionary Theory can be the reply, oh how comes? A fresh book you know. You are therefore out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?

Yvonne Speight:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Karl Korsch: Revolutionary Theory can make you really feel more interested to read.
