Northern British Columbia Canoe Trips: Volume One Laurel Archer

This first volume of the guidebook series Northern British Columbia Canoe Trips describes in detail eight northern BC paddling routes over eleven rivers, and is designed to provide canoeists with all the information they require to plan a river trip appropriate to their skill level and special interests. Each route includes: a summary of the main attractions of the trip. where to start and where to finish along the river. trip length in days and kilometres. required maps. suggestions about when to go. star ratings for difficulty and for historical and recreational value Northern British Columbia Canoe Trips: Volume One covers numerous routes never documented in any publication before, including the Taku, Jennings, Omineca and Gataga rivers, among others, as well as more well-known favourites such as Fort Nelson and the Dease. The book provides paddlers of all types with a variety of river trips to choose from based on comprehensive and comparative information, as well as detailed and specific navigational notes to aid them along their chosen route.

From reader reviews:

Christina Bain:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to be aware of everything in the world. Each publication has different aim or maybe goal; it means that reserve has different type. Some people sense enjoy to spend their time and energy to read a book. They are really reading whatever they consider because their hobby is actually reading a book. Consider the person who don't like looking at a book? Sometime, individual feel need book after they found difficult problem as well as exercise. Well, probably you will need this Northern British Columbia Canoe Trips: Volume One.

Keith Taylor:

What do you regarding book? It is not important along? Or just adding material when you really need something to explain what yours problem? How about your spare time? Or are you busy particular person? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every person has many questions above. They need to answer that question due to the fact just their can do that. It said that about guide. Book is familiar in each person. Yes, it is correct. Because start from on kindergarten until university need this Northern British Columbia Canoe Trips: Volume One to read.

Sheilah Harvey:

Now a day those who Living in the era just where everything reachable by connect with the internet and the resources included can be true or not call for people to be aware of each facts they get. How individuals to be smart in receiving any information nowadays? Of course the solution is reading a book. Looking at a book can help persons out of this uncertainty Information especially this Northern British Columbia Canoe Trips: Volume One book because this book offers you rich details and knowledge. Of course the knowledge in this book hundred percent guarantees there is no doubt in it you probably know this.

James Koenig:

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one together with theme for entertaining for instance comic or novel. The actual Northern British Columbia Canoe Trips: Volume One is kind of publication which is giving the reader unstable experience.
