And it isn't just the police who have their eye on her, but an enraged drug lord who is seeking payback.

The only person who seems to be on her side is old acquaintance John McAllister. But the sexy reporter has a nose for news, as well as a reputation as a playboy. Is he helping Celie out because he wants a story...or a one-night stand? She knows John's interest is potentially hazardous to her heart. But not accepting his help could put her life at even greater risk -- and she can't afford one wrong step.
