In *The News of the World*, Ron Carlson's celebrated last collection, it was widely noted that the news was good. Here, as everybody goes to Plan B, the news is stronger, edgy, and bittersweet.

Here are men and women in the middle--of life, of relationships. There is a difference between what they set out for and what they get. A single mother keeps house on an aircraft carrier. A new father finds himself seduced by a motorcycle. A lonely professor is forced to face a few truths. Braced by honesty and lifted by affection for the world, these stories are a stunning showcase for a writer tackling universal themes in new ways. Get ready: when Plan A breaks down, Ron Carlson is here.
