Stepping Stones of the Steward: A Faith Journey through Jesus' Parables (Faith's Horizons) Mr. Ronald E. Vallet

Now thoroughly revised-with significant changes in chapters dealing with faith and money and environmental issues-Vallet's inspirational study teaches Christians how to gain a sense of purpose, how to properly use resources, talents, and money, and how to reach out with compassion for the welfare of others and for the planet. This inspirational study takes the images of journey and steward as metaphors for the Christian's life and uses several of Jesus' parables as a springboard to explore various dimensions of Christian stewardship. Besides significant revisions to the text, this second edition of Stepping Stones includes a new epilogue that discusses the mission funding crisis of the church in North American and the changing views on both the church and its mission. Thought-provoking questions and suggestions for further reflection appear at the end of each chapter, and a study guide outlines ways to use the book in small-group setting.
