Slowly, the three of them unravel the evil scam that got her father killed when he accidentally stumbled upon it. To prove her dad was murdered, Maddie must take some risks, but then she's a risk-taking kind of gal. Why else would she allow the guys to awaken her sexual awareness and play mind-blowing erotic sex games with her? Riley and Axel have been burned before, and getting permanently involved with a woman is out of the question. Besides, Maddie has a life back in New York and the two of them are always up to their necks in danger, so there's no future for the three of them, or is there...? ** A Siren Erotic Romance
