Jim Rearden's Alaska: Fifty Years of Frontier Journalism

Jim Rearden

Jim Rearden's Alaska: Fifty Years of Frontier Journalism Jim Rearden

For half a century, Jim Rearden has fulfilled a dream-traveling throughout the Far North in search of interesting people, places, and events and writing about them. In *Jim Rearden's Alaska*, this longtime former outdoors editor for Alaska magazine has combined twenty-two previously published pieces into a single collection. Articles are interspersed with fresh personal insights into a changing Alaska and are illustrated by many of the black-and-white photographs that appeared with the original articles. Rearden shares his favorite stories of early sourdoughs who challenged Alaska's wilderness in the 1920s and '30s; of encounters with wolves, wolverines, and huge brown bears; of the Alaska Scouts who played a key role in the brutal Aleutian Campaign of World War II; of lighthearted and hair-raising adventures of Alaska's early bush pilots; of narrow escapes from death on Mount McKinley and in the Gulf of Alaska; and of a humorous look at Hollywood's attempt to make a "genuine Alaskan" film. "These articles represent my ideal Alaska," Rearden says.
