Alla fine, Boni conclude chiarendo ancora una volta chi comanda nel partito del Carroccio: «Siamo un partito fortemente piramidale, quello che decide Bossi è legge per tutti. E in questo senso – sorride – siamo un partito leninista».

Partito tradizionale che cavalca i temi cari all'estrema destra, come l'immigrazione e la sicurezza; partito territoriale sul modello della Csu bavarese e degli autonomisti catalani; o, ancora, forza politica trasversale alla destra e alla sinistra, destinata a scompaginare i vetusti schieramenti ereditati dal Novecento. C'era un solo modo per sciogliere simili dubbi: dare la parola ai leghisti. È quello che fa il libro. Ripercorsa la storia del movimento, sfogliato l'atlante del suo insediamento elettorale, tracciati gli organigrammi interni (fazioni, posizionamento rispetto a Bossi), si delinea, al di là dei miti e delle fantasie giornalistiche, il popolo leghista. Militanti, eletti, ceto politico vivono oggi – con la crisi economico-finanziaria – una sofferta transizione, mentre ritornano i temi carsici del partito, dalla Padania alla secessione.
