Redcoats and Rebels: The War for America 1770-1781

Christopher Hibbert

Redcoats and Rebels: The War for America 1770-1781 Christopher Hibbert

The story of this war has usually been told in terms of a conflict between blundering British generals and their rigidly disciplined red-coated troops on the one side and heroic American patriots in their homespun shirts and coonskin caps on the other. In this fresh, compelling narrative, Christopher Hibbert portrays the realities of a war that raged the length of an entire continent—a war that thousands of George Washington's fellow countrymen condemned and that he came close to losing. Based on a wide variety of sources and alive with astute character sketches and eyewitness accounts, *Redcoats and Rebels* presents a vivid and convincing picture of the "cruel, accursed" war that changed the world forever. 16 pages of illustrations. "Hibbert combines impeccable scholarship with a liveliness of style that lures the reader from page to page."
