Many of us have questions about the passage of life and often wonder what happens when we die. In this amazingly insightful book by medium/clairvoyant Lisa Williams, evidence of the afterlife is explored.

Through various channels such as meditation, psychic readings, communication with her Spirit Guide, and a personal near-death experience, Lisa delves into the journey of the soul, discusses the different stages of the afterlife, and reveals what life is really like on the other side.

*Survival of the Soul* addresses the myriad questions many of us have surrounding this subject, especially if we've gone through the painful experience of having lost loved ones.

Lisa provides a reassuring glimpse into this fascinating topic by exploring the pathway to the afterlife and then to reincarnation; with the realization that death is not final, but rather a transition into the world beyond—a place that should be honored, not feared.
