Baby Professor

Venomous Animals of The World : Third Grade Science Series: Poisonous Animals Book for Kids (Animal Encyclopedia For Children) Baby Professor

Stay clear from these animals! Your child will find this educational book extremely interesting. Within the pages are features of animals that contain venom, a powerful toxin that may cause death. Treat this as a more effective warning because children can actually see the animals in full-color, and learn about the danger they bring too. This is the perfect complement to the all-text books at school.
