**Act of War: Lyndon Johnson, North Korea, and the Capture of the Spy Ship Pueblo** Jack Cheevers  
“I devoured *Act of War* the way I did *Flyboys*, *Flags of our Fathers* and *Lost in Shangri-la*.” —Michael Connelly, #1 *New York Times* Bestselling Author

In 1968, the small, dilapidated American spy ship USS *Pueblo* set out to pinpoint military radar stations along the coast of North Korea. Though packed with advanced electronic-surveillance equipment and classified intelligence documents, its crew, led by ex-submarine officer Pete Bucher, was made up mostly of untested young sailors.

On a frigid January morning, the *Pueblo* was challenged by a North Korean gunboat. When Bucher tried to escape, his ship was quickly surrounded by more boats, shelled and machine-gunned, forced to surrender, and taken prisoner. Less than forty-eight hours before the *Pueblo*'s capture, North Korean commandos had nearly succeeded in assassinating South Korea's president. The two explosive incidents pushed Cold War tensions toward a flashpoint.

Based on extensive interviews and numerous government documents released through the Freedom of Information Act, *Act of War* tells the riveting saga of Bucher and his men as they struggled to survive merciless torture and horrendous living conditions set against the backdrop of an international powder keg.
