Endgame Nancy Garden

“A hard-hitting and eloquent look at the impact of bullying.” –*School Library Journal*

New town, new school, new start. That’s what fourteen-year-old Gray Wilton believes. But it doesn’t take long for him to realize that there are bullies in every school, and he’s always their punching bag. Their abuses escalate until Gray feels trapped and alone. He has no power at all until he enters the halls of Greenford High School with his father’s semiautomatic in hand. Nancy Garden deftly explores the cruelty of bullying and its devastating effects. In this brutal, heartbreaking story, a school shooting shatters lives on both sides of the gun.
