Gods and Legions: A Novel of the Roman Empire Michael Curtis Ford

The year 354 A.D.:

Julian, a young scholar in Athens, is the last survivor of a bloody political purge that killed his entire family. Unexpectedly summoned to the court of the Emperor Constantius, he fears the worst-only to find himself bearing the ring of Caesar of the Western Empire.

Tested by bloody battle and the scepticism of the Roman legions, Julian proves to be a military genius, crushing the German tribes that have threatened Rome for generations. Soon after, defying his own emperor against overwhelming odds, he risks civil war and ultimately seizes the Empire for himself, becoming the most powerful man in the world while still only thirty.

Now the dark side of his ambition emerges. Julian discards the Christianity of his boyhood and sets his sights on the greatest conquest of all-the Persian Empire. In Persia, however, his gods and his sanity desert him, and in one swift stroke, the course of history is altered forever.

Ranging from the forbidding forests of ancient Gaul to the sweltering sands of Persia, *Gods & Legions* is a breathtaking historical re-creation of one of the most dangerous periods-and enduring mysteries-of all time.
