## My Fair Captain (Sci-Regency series Book 1) J. L. Langley

Talk about a compromising situation!

A storm of political intrigue, murderous mayhem and sexual hungers is brewing on planet Regelence.

Swarthy Intergalactic Navy Captain Nathaniel Hawkins ran from a past he had no intention of ever reliving. But when his Admiral asks him to use his peerage, as an earl and the heir to a dukedom, to investigate a missing weapons stash, he's forced to do just that. As if being undercover on a Regency planet where the young men are supposed to remain pure until marriage isn't bad enough, Nate finds himself attracted to the king's unmarried son.

All Prince Aiden Townsend has ever wanted was to be an artist. He has no interest in a marriage of political fortune or becoming a societal paragon. Until he lands in the arms of the mysterious Earl of Deverell. One look at Nate's handsome face has Aiden reconsidering his future. Not only does Nate make a virile subject for Aiden's art, but the great war hero awakens feelings in Aiden he has never felt, feelings he can't ignore.

After a momentous dance at a season ball, Aiden and Nate find themselves exchanging important information and working closely together. They have to fight their growing attraction long enough to find out who stole the weapons and keep themselves from a compromising situation and certain scandal.

Warning:

Warning, this title contains the following: explicit sex, graphic language, violence, hot nekkid man-love.
