## **Quo vadis Europa (Pamphlet) (Italian Edition)** Donald Sassoon

L'Europa non è mai esistita come singola entità, e gli europei ne hanno cominciato a parlare solo quando è scivolata dal centro alla periferia del mondo. Malgrado la retorica, non c'è molto di integrato nell'Unione Europea e non basta certo la moneta unica per farne uno Stato. Ciò nonostante, perché tanta delusione? Gli europei non hanno mai vissuto un periodo così lungo di prosperità e di pace. Interrogandosi sull'incerto futuro del continente, Donald Sassoon bilancia il pessimismo dell'analisi con l'invito a cercare una strada ancora percorribile e a riconoscere "il miracolo di un'associazione di ventotto Paesi che non hanno molto in comune ma che, malgrado tutto, cercano di trovare un modo di convivere".
