## **Trails Of A Wilderness Wanderer** Andy Russell

This book presents an engaging, anecdotal account of the author's adventures in the Northern Rockies. From his boyhood days through his adulthood as a trapper, guide, naturalist, and outdoorsman, Andy Russell lived a lifestyle that would be nearly impossible today. Growing up in a ranching community in a "land of boots and saddles, guns and fishing rods, and the smell of pines and grass," he observed the ways of animals wild and tame, braved rugged mountaintops and freezing rivers, and forged friendships with the local Indians.
