Wish

Joseph Monninger

Wish Joseph Monninger

Bee's brother, Tommy, knows everything there is to know about sharks. He also knows that his life will be cut short by cystic fibrosis. And so does Bee.

That's why she wants to make his wish-foundation-sponsored trip to swim with a great white shark an unforgettable memory.

But wishes don't always come true. At least, not as expected. Only when Bee takes Tommy to meet a famous shark attack survivor and hard-core surfer does Tommy have the chance to live one day to the fullest.

And in the sun-kissed ocean off a California beach, Bee discovers that she has a few secret wishes of her own. . . .

From the Hardcover edition.

From reader reviews:

Mamie Shaw:

The book Wish can give more knowledge and also the precise product information about everything you want. Why then must we leave a very important thing like a book Wish? A number of you have a different opinion about e-book. But one aim that book can give many details for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or facts that you take for that, you may give for each other; you may share all of these. Book Wish has simple shape however you know: it has great and big function for you. You can look the enormous world by wide open and read a reserve. So it is very wonderful.

Rosemary Lafleur:

The reason why? Because this Wish is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book beside it was fantastic author who else write the book in such wonderful way makes the content on the inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have got such as help improving your skill and your critical thinking technique. So , still want to hold off having that book? If I had been you I will go to the book store hurriedly.

Floyd Alling:

Your reading sixth sense will not betray you actually, why because this Wish reserve written by well-known writer we are excited for well how to make book which can be understand by anyone who read the book. Written in good manner for you, dripping every ideas and composing skill only for eliminate your current hunger then you still skepticism Wish as good book not merely by the cover but also with the content. This is one e-book that can break don't judge book by its deal with, so do you still needing an additional sixth sense to pick this!? Oh come on your reading through sixth sense already alerted you so why you have to listening to an additional sixth sense.

Ann Foley:

It is possible to spend your free time to read this book this guide. This Wish is simple to bring you can read it in the park your car, in the beach, train and also soon. If you did not have got much space to bring the printed book, you can buy the particular e-book. It is make you quicker to read it. You can save the particular book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.
