Construction Documents and Services 1 Charles R. Heuer

This course, written by Charles R. Heuer, FAIA, discusses the architect's services in translating design concepts, building materials, and systems into construction documents.

Among the subjects covered are:

- * Working drawings and specifications
- * Consultants' documents
- * Bidding and cost estimates
- * General and special conditions of the construction contract
- * Advice to the owner

Diagrams and examples serve to illustrate the material of this course. A review quiz is included at the end of each lesson, and at the conclusion of the course is a major simulated exam. Complete explanations of all quiz and exam answers are included.
