## **Managing Change for Library Support Staff (Studies in Librarianship and Information Management)**

Anne Goulding

This text identifies and assesses strategies that library managers can pursue to manage support staff in times of change. In order to respond efficiently and effectively to rapidly changing circumstances, library managers need to harness all the resources at their disposal. This includes human resources. In library and information services an increasingly important section of that human resource is in the support staff. This book aims to provide methods of managing development, and ensuring staff remain motivated and committed.
